Bulletin Announcement #1 – March 4, 2023

Rose is a former New People's Army general and assassin. She used to travel from village to village in Mindoro, Philippines, recruiting people to take up arms against the military and join the communist rebel fighters. Recently, she returned to one of those villages . . . but this time she was preaching a full-message evangelistic series!

Don't miss the rest of this incredible story next week during AWR's annual offering on March 11, so millions more in the hardest-to-reach places on earth will hear the Good News in their mother tongue. (And to watch incredible videos of stories like this, visit awr.org/videos.)
